

# ★ SMALL BUSINESS ★ SATURDAY™

NOV 24

Shop Small Business Saturday this year is on Saturday, November 24th - and is always celebrated on the Saturday after Thanksgiving. The event is a nationwide movement that calls out for people to celebrate small businesses every day and dedicates a day to be specifically focused on supporting small businesses across the country.

Why are small businesses so important? Small businesses are the backbone of the economy, create the ambiance and culture of the area, provide unique products and services, and help communities thrive.

This year the Pittsburg Chamber of Commerce, in partnership with the City of Pittsburg, continues our tradition of celebrating our Pittsburg businesses on Small Business Saturday!

Here is a downloadable list for your use. See all the wonderful Pittsburg participating businesses and their offers to the public and their customers.

**In addition, the Pittsburg Chamber and City of Pittsburg are hosting a Selfie Contest!**

**One winner will win a \$300 Visa gift card.**

## It's fun and easy!

1. Visit a participating business.
2. Take a fun selfie. Show the food, restaurant, sign so we know where you are to verify it.
3. Post with:
