108 Places to Speak and Get New Clients **DIRECTORY**

WELCOME, MISSION-DRIVEN ENTREPRENEURS!

Do you have a product or service to sell, but you aren't sure where to find your Ideal Clients? To leverage your efforts, maximize your sales and help the most clients, you have to find your right-fit audience of people who need the product or service you provide. Even with the structure of my proven Speak-to-Sell Talk® leading to your Irresistible Offer, you still have to find the places where your Ideal Client gathers so you can make that offer. Not to worry – in my “108 Places to Speak and Get New Clients” directory below, you will find just that!

Many organizations have local meetings and national conferences, as well as virtual speaking platforms. Don't hesitate to research and reach out to find out what kind of opportunities they have available! You'll be surprised at what opportunities open up when you simply ask :-)

You will notice that we have included significantly more than our originally-planned 108 speaking resources to find new clients, but when we looked at narrowing down the list, we decided they were all too valuable not to include! You know how we love to over-deliver :-)

Let's get started!

ABOUT LISA SASEVICH

After 8 years helping corporate giants like Pfizer and Hewlett-Packard generate billions in sales, and then finally following her passion to work in the personal development space, again taking small companies from 6 to 7-figures quickly, Lisa Sasevich was suddenly fired from her dream job the night before Christmas Eve. With a husband in medical school and two toddlers at home, it was devastating.

But, after some soul-searching, the “Queen of Sales Conversion” decided it was time to parlay her talents into her own profits—and to help others do the same. She started a home-based business—with nothing more than a phone line, a laptop and the stolen hours of the night after her kids were tucked into bed.

Her mission: To teach entrepreneurs who “hate the sales part” how to leverage their talents, products, and services into massive profits without feeling salesy.

A few short years and over \$35 million in sales later, Lisa has helped over 15,000 thousand clients in 134 countries earn more by doing what they love most. Lisa's company, The Invisible Close™, has been honored in the Inc. 500 and named one of Inc. Magazine's fastest-growing privately held companies two years in a row. Kym and Sandra Yancey of the eWomenNetwork put it, “without question she is brilliant at teaching others to leverage their unique gifts and qualities into a financial windfall.”

NOTE: We compiled these resources through recommendations from our clients. It has not been verified, so please do your due diligence as you would with any opportunity that came your way.

Many organizations have local meetings and national conferences, as well as virtual speaking platforms like monthly online trainings for members, blogs and podcasts. Don't hesitate to research and reach out to find out what kind of opportunities they have available!
